Without a doubt, one of the worst parts of love, perhaps one of the worst parts of being human, is finding that the person we love might be falling in love or in-like-a-lot with somebody. Some affairs can go on for years or decades without the other partner knowing. This was a good read!

The feelings you try to deny eventually come out again in a totally different way.

He wants me to put this behind us and to work on our marriage. I truly believe he has changed, and I truly believe him when he says he does not want her, but this is hitting an instinctive nerve, and as we have a long distance relationship at present, it is hard to see him this close to his ex lover. I actually used to work with the ex wife years ago, so I know of .

Having someone you care about break your trust is very devastating. Thank you for sharing your experience with us. So I can understand why you might hesitate to get a divorce.
