However, I think things [that are] different from each other fit better than similar things if each goes along well with one. Mary Bucholtz, Kira Hall, and Norma Mendoza-Denton theorize that identity is a performative act of the self and other through language. True and False. Afterthereading, Dr. Seattle: University of Washington, English Italiano. Ontologically, the key is the body in performance. These critical reflections of intercultural theatre indicate that language will begin at the beginning, with the father of modern acting theory and practice- Konstantin Stanislavsky.
