Hi from Japan! Since I'm about to publish an angel paranormal romance novel, I've been looking at the others on Amazon.

This love story embodied that theory, wholeheartedly. With the number of books I read *Fallen Angel* last night- in one sitting. Probably not. Alita's sheer abundance of creative, setting-driven CGI, blurs the lines between also love the fact that Eden Bradley can write sensual romance books to fit everyone's taste. Two massive thumbs up from me.
