Gaustad, is invaluable as a religious atlas. Christianity in Canada tended to be "social" Christianity, more conservative than in the United States and less rigid in its boundary between church and state. Its thumbnail sketches of denominations and sectarian movements are useful, but there are inaccuracies.

Still, the denominations understood themselves as participating in something larger – a universal church to which all Christian groups belonged. For American U. On Secret Religious Meetings. March 26, by csf. See also: Migration to New England – When assembled in a field or at the edge of a forest for a prolonged religious meeting, the participants transformed the site into a camp meeting.
