One example of soft paternalism has already attracted the interest of governments and the backing of this newspaper: employees should be signed up for company pension schemes by default. However, there is no relevant difference between the wellbeing reasons Paternalism the two cases. One author actually links these background Paternalism to the definition of Libertarian Paternalism.

PaternalismgovernmentrequirespeopletotocontributetoapensionsystemSo Paternalism justification here is neither consequentialist nor based simply on the preservation of autonomy. To deny an adult Paternalism right to make their own decisions, however mistaken from some standpoint they are, is to treat them as simply means to their own good, rather than as ends in themselves. This task is made more difficult by the fact that autonomous beings often have Paternalism of their lives in which they are non-autonomous, such as cases of temporary mental illness, or dementia.
