She needed no reminder HarperCollins UK. Don't I have any say in the matter?

I really hope someone can help me with this, since I can't seem to get it out of my mind. Maybe this one? I was so intrigued by this book, I couldn't put it down. Yet she had rejected him to pursue her career. Sinful Truths. I remembered another part of the story. The setting of the novel is I believe in a sort of system similar to 19th or 18th century England where there were still nobles around that controlled estates and whatnot.
