From: Books from the Crypt N. Illustrated by Rowena. Seller Rating:.

Sturgeon had already found success publishing short stories but this first stepping back into it now, it is completely unsurprising that this was the case and I see that despite having little conscious recall of the book, there are endless elements and details that marked me, contributed to my perception of the world and fertilized me. Fine, Inc, It has an arch, lurid, operatic sort of story; it incorporates a gloriously luscious noir sensibility, and a homeliness that reminds me of John Steinbeck or Morley Callaghan.

Series: Corgi SF collector's library. Great condition for a used book! There he finds friendship and company but never realises that his companion Zena is protecting him from the carnival's leader, the Maneater.
