The feed was generated by an algorithm but moderated by a team of about 25 people with backgrounds in journalism. This meant that all news stories looked roughly the same as each other, too, whether they were investigations in The Washington Postgossip in the New York Postor flat-out lies in the Denver Guardianan entirely bogus newspaper. And before long they found receptive audiences in the media and Congress—groups with their own mounting grievances against the social media giant.

He had been mapping ecosystems of misinformation since the election, and he had some excellent news. After that, your Facebook login became a way to log on to other internet sites. Gettingthereonepageatatime.Youcouldgetthroughtheelectioncircuswat
Zuckerberg pursued a strategy he has often deployed against competitors he cannot buy: He copied, then crushed. In the foreword to this book, Martha Zoller counters instead that

what Lucas is actually writing about is mainstream, but in fact the media terminology just "hasn't caught up .
