Not only that but upon winning a copy, I came to realize that I was meant to read this book. Is Alice speaking with a white rabbit really believable?

That was my first taste of how rough the world of writing could be, and I almost

Ashley created a profound thriller that will grab you from the very first page! I've read other reviews criticizing the editing, but obviously it has been all cleaned up in this new addition. From: medimops Berlin, Germany.

I found myself holding my breath as I read... I highly recommend it. Fontaine's goal of retribution has turned into an obsession and she will stop at nothing until everyone responsible pays. It was the best of times, it was the blurst of times.
