I always enjoy book recommendations. Whenever the characters—the soldiers and such—walked into the portal, it was a huge deal: walking up that runway, rolling up their massive pallets of equipment... Instinctively thinking to smell the phone, Arthur lifted it up to his nose and could detect the faint odor of singed electronics.

SynopsisThe outbreak came upon the world quickly and with little warning. I know I do, a lot so that part resonated with me. Moving to a new school can be scary. There were three long rows of desks, with a central walkway down the middle.
