See Chapter 16 for issues surrounding abortion. Should abortion be legal or illegal? Resources on Abortion Guttmacher Institute.

Many people assume that this issue is an interminable one, with "no clear answer." The guide includes not only key laws and court cases that have determined abortion policy, but also political speeches, medical essays, theological writings, newspaper advertisements, magazine articles, and popular books that offer insight into America's changing attitudes towards women, race, the medical field, and the role of government in its citizens' personal lives. And decades after Roe, the criminalization of certain procedures and regulation of abortion providers still obstruct women's access to safe and private abortions. You already recently rated this item. The book shows that this is not the case. Goodreads is the world's largest site for readers with over 50 million reviews.
