The air smelled sweet, like expensive perfume, and then I realized it was from the marijuana plants, which were seven feet tall and lined the edges of the fields. I have to say that as a prelude to my funny story about fishing - the fish that got away. This is used to provide traffic data and reports to the authors of articles on the HubPages Service.

WhatisFishStories?I am said to say that my grandmother lived until 94 although she was not as colorful as she once was because eventually she was lost in her own world and could not remember any of us - or the people she was talking to before!
