But Marie had also taught him to believe, perhaps rightly, that love, outside the family, is the only feeling which can never be returned. He saw them only at holiday-times, and afterwards forfeited them eternally through the original sin of asthma; but if he had never lost them, they would never have become Paradise. Friday, in our time, is still market-day; the cobblestones are strewn with straw, cauliflowers, hobnailed boots, ironmongery and carpets, and everyone in Iliers is there as stallholder or purchaser.

Even at the moment when it manifested itself in this crowning mercy, my father In the S he was to go through a period of 'good taste'; afterwards, however, to the end of his life, he filled his rooms with hideous but sacred objects which spoke to him of his dead parents, his childhood, time lost. And so I concerned

myself no longer with the mystery that lay hidden in a form or a perfume, quite at ease in my mind, since I was taking it home with me, protected by its visible and tangible covering, beneath which I should find it still alive, like the fish which, on days when I had been allowed to go out fishing, I used to carry back in my basket, buried in a couch of grass which kept them cool and fresh.

Living in the world of ideas, reading between the lines, taken in by outward appearance, I was talking to a friend my age about this and she knew what I was talking about, reporting that just recently she seems to have forgotten parts of her teens and 20s.
