Sometimes battles are really ugly, really bad, really threatening on the screen. Period narratives set in the midst of China's cyclic fragmentation have been commonplace throughout Tsui Hark's oeuvre. Be the first to write a review. He sharply accentuated the genre's tendency to play with gender roles as a way to modernize the narrative and represent a self-conscious awareness of the problems presented by the pull within Hong Kong's cultural politics toward what we might call following Akbar Abbas, the lures of localism, marginality, and cosmopolitanism. Zuisafar. Right, right, right. Sometimes battles are really ugly, really bad, really threatening on the screen, instead of making you feel excited.
