What the two books have in common are what they attempt to achieve and the fact that they are both divided into two major sections. Some have claimed, and many assumed, that these findings have challenged faith in God to the point of destruction. Howcanapersonlearnmoreabouttheseandothertopics? View all 4 comments. Read an excerpt of this book! Thetitleleavessomethingtobedesiredas.It seems much more rational to believe that there is a designer of all of this complexity than to think that it all happened by chance.
