The early accounts of the Battle of Plassey written by historians associated with the East India Company did not hide the fact that Siraj was betrayed by his generals because Clive managed to bribe them with promises of great wealth to be obtained from the government treasury after Siraj's fall. Decentring Empire. One of my central arguments is that there is no monocausal explanation of modern empire such as claims of racial superiority or profits or export of finance capital or what have you.

StockImage. So the historian must exercise judgment in choosing the right v
