Global Urban Indicators Database. Through a workshop with Turkana Youth, UN-Habitat has conducted a two folded exercise: on one hand a youth group was led to discover elements of being settled as a community, through exploring typologies of living space and livelihood, elements of sustainability and self-reliance but on the other hand, the workshop provided valuable skill training in the art of photography. Is order possible and durable in an anarchic or quasi-anarchic society, and if so, under which preconditions?
